Notes:

1. Some legend symbols are enlarged for easier identification.

2. Aerial photography is from USDA NAIP, 2024.

3. Sensitive cultural resource data are not shown on this map as these data are not to be reproduced, distributed, or released to the public.

4. Data are for display purposes only. All features and boundaries have been approximated based on information gathered from review of public resources and from field reconnaissance.

5. Property lines shown have been obtained by current county tax rolls, deeds research, and field survey.
